eBook Collections

Best for selection

Bigger collection of titles shared through the Oregon Digital Library Consortium.

Search through curated lists for recommended reads.

Use the "deliver later" feature to let your hold go to the next person waiting, without losing your place in line.

Send eBooks to your Kindle Paperwhite.

Best for browsing and short holds lists

Smaller collection of titles, but shared across fewer libraries.

Larger percentage of titles available to read instantly.

Searching by genre or topic of interest makes finding your next read easy.

Set up a reader's profile to receive tailored "favorites" lists just for you.

Perks of both:

- Fiction and Nonfiction titles for all ages.
- Easily suggest a title to be added to either collection.
- Search "available" items to limit results to titles on demand.
- Spanish language titles available.
- Sync items across devices.
- Download items to your device for offline access or stream in the app to save space.
- Titles may be renewed if no one is waiting.

Animated, talking picture books which teach kids the joy of reading in a format they'll love. They are created by taking existing picture books, adding animation, sounds, music and narration to produce an electronic picture book (and some classics) which you can read, or have read to you.
